

## Ali Wallpapers – Terms & Conditions & Privacy Policy

Last Updated: 18 November 2025

### 1. Terms & Conditions

#### App Features

Ali Wallpapers allows users to:

- Use live wallpapers
- Use static wallpapers
- Create wallpapers and live wallpapers using camera or gallery
- Download wallpapers
- Use Mac & Windows wallpapers

#### User-Created Wallpapers

- Users can create wallpapers and live wallpapers only for personal use.
- Created wallpapers can only be downloaded to the user's device.
- They cannot be shared publicly, sold, or distributed inside the app.

#### Intellectual Property

- All wallpapers and content inside the app are owned by Ali Wallpapers.
- They are for personal use only, not for resale or distribution.

#### In-App Purchases

Some features may require payment.

#### Updates

Terms may change over time. Continued use means you accept the updates.

### 2. Privacy Policy

### Information We Collect

- Photos selected or captured by the user (used only to create wallpapers — never uploaded or stored).
- Basic anonymous analytics (app performance, crashes, device type).

### User Content

- Created wallpapers remain only on your device.
- We do not store, upload, or share your images.
- You can only download your creations.

### Permissions

The app may request:

- Camera access
- Gallery access
- Storage access

### Data Use

Data is used only to improve app performance and functionality.

We never sell or share your data.

### Children's Privacy

The app is not intended for users under 13.

### Changes

Privacy Policy may be updated over time.
